**Primary Debating-** Our 6<sup>th</sup> class are participating in the *Concern* and Kilkenny Education Centre, Primary School Debating Competition 2021-22. The debate takes place virtually with each team prerecording and submitting their speeches to the judges. The Motion for the First Round is; 'Social Media does more harm than good for young people's confidence'. Best wishes to Ms S. Amond and the 6<sup>th</sup> class team of Naomi, Seán, Cillian, Charlotte, Eva and Erin for the debate!

**French Lessons** - We are delighted to have been chosen to participate in the pilot programme for modern languages in primary school this year.

In our school, children from 3<sup>rd</sup> - 6<sup>th</sup> class will participate in French lessons for 6 weeks this November and December. There will be no cost to parents for these lessons as they will be funded by a Department of Education Grant. We welcome Audrey Howard-Bowles to our school as our French Teacher. Ms Howard-Bowles is a fully qualified Secondary School French teacher currently working with Tyndall College, Carlow.

The six-week programme, which is being supported by Post-Primary Languages Ireland (PPLI), is designed to foster greater inclusion and appreciation of diversity in society, to encourage the uptake of languages at post-primary level and to support the government strategy on foreign languages in education, 'Languages Connect'.

**Halloween Dress Up Day** - We had great fun on the 22<sup>nd</sup> of October with children (of all ages) dressing up in their Halloween Costumes and making donations to Trick or Treat for Temple Street. €195 in total was donated to this worthy cause, thank you to all who contributed.

**Climate Change Week** We celebrated Climate Action Week in October. The children learnt about the importance of reducing food waste at home and how we can do our bit to help Climate Change. They took part in lots of fun activities including entering a poster competition in partnership with Ballinabranna, Milford, Raheendoran Development Group. We greatly appreciate their sponsorship of prizes for this competition.

**Green Schools** - As part of our Green Schools initiative we are focusing on litter and waste, in particular food waste at home. We are encouraging everyone to have a look at waste at home and ways we can reduce the amount of waste we produce. The children are learning about lots of ways to reduce, reuse and recycle in the classroom and together we can all do our bit to help Climate change.

**Amber Flag** -To promote positive mental health and well-being in our school , we have decided to take part in the Pieta Amber Flag Initiative. This involves the whole school community coming together to create a safe, positive and healthy attitude towards our general physical and mental health and well-being. We will be taking part in lots of wellbeing activities like our mindful miles and a future fundraiser for Pieta House. Children from 2<sup>nd</sup> to 6<sup>th</sup> class are working with the Weaving Wellbeing programme again this year too. We aim to receive our Amber flag at the end of the year.

The Council members are Eve Foley, Aria Dunne, Harry Noctor, Niall Kinsella, Ruth Tunstead, Rhys O' Toole, Robert Byrne and Isabelle Farrell, a representative from each class from Junior Infants to 6<sup>th</sup> class. Already the Student Council have helped to provide each class with a basket of equipment to encourage creative and fun play at lunchtimes. The Council hope to add more equipment to the baskets to add to the skipping ropes, hoola hoops and tennis balls as the year goes on.
